Project Description

1. Briefly describe the project outcomes. What was done (in 100 words or less)? Provided paperback dictionaries to third graders in the Paradise Valley School District.

When (dates) and where (city, state and country) did project activities take place?
September and October 2024, in Phoenix Arizona.

Who were the beneficiaries? Third grade students from 22 schools, and their teachers

2. How many Rotarians participated in the project? 14 rotary members and 3 friends.
3. What did they do? Please give at least two examples. Each participant was assigned one to three schools where they passed out the books to each third- grade class. Then went through book, looking up definitions, and talking about what other references are in it (planets, presidents, sign language, etc)
4. How many non-Rotarians benefited from this project? All students and teachers
5. What are the expected long-term community impacts of the project? These students will become good writers, active readers and resourceful learners. These books are a gift to each student to keep and take home. For some of these students, this book will be their very first one to own and keep.
