### **Chandler Horizon Rotary Club Grant acknowledgement and Usage**

Greetings to you our Rotary Family, thank you for the continued duty of "Service above Self" to humanity across the globe.

In January 2025, we (Precious Kids Foundation) received a Check of \$3,750 aimed at enabling us to supplement the nutritional support of many kids we serve in our nonprofit.

Please allow me to briefly introduce ourselves, Precious Kids Foundation is a Humanitarian 501(C)3 Charity Organization providing FREE rarely accessible medical treatment to kids with cancer and other life threatening illnesses in Uganda's impoverished communities as well as FREE 3-Day Massive Medical Mission Camps across rural villages to prevent premature death while also proactively empowering Orphans, Widows and single mothers for economic self-sustainability.

The Journey of taking on any single kid for medical treatment is a full time COMMITMENT until their little bodies are well enough to be self sustained. This can span from simple 6 months treatment, to 1year for surgical and chemotherapy treatment or even to lifelong daily medications, monthly doctor visits for organ failure, as well as daily nutritional support depending on their specific diagnosis. This commitment is to provide them with FREE medical treatment since their economic status and poverty level hinders them from being able to pay for the medical support their little bodies need to stay alive. This type of commitment comes with a great financial burden of which different funds from donors help us relieve the organization's burden while keeping the kids treated and nurtured simply as any child would desire.

The Grant funds received on January 15th 2025 have helped us treat categories of kids in 2 major ways... 1:-Daily Nutritional support to those who are on lifelong medications due to incurable organ failure; 2;- Monthly nutritional support to those now back in school who need supplemental monthly nutrition as prescribed by their doctor due to gross malnutrition their bodies had suffered for years thus damaging their bodies for life.

Beyond the massive community work we do, we closely serve about 137 kids on a daily basis and 63 of them have experienced some form of medical challenges requiring our support but are now past the danger of their illness yet they still require daily medicine and daily nutritional support as well as monthly doctor visits. However, due to the nature of Grant specifications, geared towards nutritional support, we could only focus on 63 out of the 137 kids we serve.

Each of them require \$27/Semester (3 Months) for this type of nutritional support ...

(\$27 X63 =\$1,701). Therefore, for a year long guaranteed supply of 3 terms would require \$5,103, however, the grant support of \$3,750 has GREATLY enabled us to guarantee nutritional support for 46 kids in form of nutritional porridge packages, ensuring that each month of the semester is covered for the entire year of 2025, this helps us focus efforts to providing their daily medications, monthly doctor visits as they thrive back to health for better school performance and health improvement.

**Grant Amount = \$3,750**

**Number of kids supported for 1 year projection = 46 kids**

**Amount needed for nutritional support for each child per semester (3 months) = \$27/Semester, this provides a package of nutritional porridge to cut the cost yet keep the needed nutrition support.**

**Amount covered per semester for the 46 kids = \$27 x 46 kids= \$1,242**

**Grant coverage for 1 year (3 Semesters) = \$1,242 X 3 semesters = \$3,726 (minus transaction international fees)**

Below is a website link of some of the work we have done in the past 7 years to give you a visual understanding of the massive work you have graciously supported.

As the founder, please allow me to express my HEARTFELT GRATITUDE to the entire Chandler Horizon Rotary club and to Mrs Susan Stevens-Clarke for advocating for many kids we serve in Precious Kids Foundation.

We continue to strive to serve more as more provision is made available and we are VERY GRATEFUL for your "Service above Self"

In Divine Service

Proscovia Namazzi (Madam Precious)

Ambassador, CEO & Founder

Precious Kids Foundation.
