**Project Description**

1. Briefly describe the project's outcomes. What was done (in 100 words or less)?  
When (dates) and where (city, state and country) did project activities take place?

**When: Jan 2025**

**Where: Chandler, Arizona, USA**

Who were the beneficiaries?

**The Trike was purchased for use by the students in the two (2) self-contained classrooms at Payne Jr High School.**

2. How many Rotarians participated in the project? **20+**

3. What did they do? Please give at least two examples.

**Funds were raised to match the district grant**

**Consulted with the CUSD, to determine item to purchase**

4. How many non-Rotarians benefited from this project?

**The students within the two (2) self-contained classrooms of Payne Jr High School**

5. What are the expected long-term community impacts of the project?

**Adaptive tricycles provide therapeutic, reciprocal exercise with all the fun of riding. An adaptive tricycle is often medically necessary for someone who cannot walk independently or who sits for long hours in a wheelchair. Adaptive tricycles provide fun, motivating activity for improving leg strength, balance, fitness, and endurance. Clients with special needs can zoom around right alongside their peers on a tricycle that's as cool and colorful as anything on the sidewalk.**

6. If a cooperating organization was involved, what was its role?

**Chandler Unified School District, the School District identified where the need was and then using some extra funding were able to make this big-ticket purchase**
