The Rotary Foundation District Grant
FINAL REPORT

Deadline for submission: **June 15th, 2025**

Must be filed electronically at: <http://www.matchinggrants.org/district/>
Grant Information (to be completed by District Grant contact)

1. District Grant # # 5341
2. Name of District Grant Aquatic Center Seating Grant
3. Briefly describe the grant and list any changes that might have occurred: (100 words or less) The City of McCook replaced an outdated outdoor pool with a new Aquatic Center which features activities for everyone from babies to adults. As part of the new center, the city was looking to provide seating for families and visitors utilizing the facility. Rotary used their grant to purchase and help install a heavy picnic table which will come in rotary colors, as well as a plaque for the table that shows it was from the McCook Rotary Club. As the city saved money with free shipping, the remainder of the money went toward general supplies to be used and shared at the pool.
4. Provide a brief of lessons learned in implementing this grant and how this will improve future grant funded projects: (100 words or less) Partnering with the city benefited the entire community and allowed Rotary to fund a purchase that would have been difficult for us to place on our own. The new Aquatic Center and table have been heavily used every day the center is open. We were not expecting to have leftover money. Next year we will need a backup plan for any remaining dollars.
5. How has your Club or community been impacted by this grant? (Check all that apply)
☐ Involvement of Rotarians in our Club in humanitarian grants has increased.
☐ Our Club's international Rotary networks have been strengthened.
☐ Annual giving to the Rotary Foundation in our Club has increased.
☐ Club membership has increased.
☒ Our Club's awareness of the needs in our community has increased.
☐ Participation in a District Grant has not changed our Club in any significant way
☐ Others: _____
6. Given your experience, please provide any suggestions you believe would improve District Grants and the process to receive and implement them. A step-by-step simple document on how to submit a grant, paperwork needed at each step, and deadlines. The training is very helpful, but scanning over the recording to find relevant information is difficult.
7. **Financial Summary**

Amount of District Grant funds received:	\$ 1,376
Amount of Club funds used in grant:	\$ 344
Amount of other funds used in grant:	\$ 14.41
Total	\$ 1,734.41
8. Receipts and Financial statements
Please include all invoices and receipts (**NO CHECK COPIES**) in electronic format to your web page on the District Grants web page: <http://www.matchinggrants.org/district/>
