Mr Goldman,
We received your generous check yesterday. We will forward it on to Erwin Tennessee and Newland North Carolina tomorrow. They both have been very responsible in their distribution of funds. Thanks for supporting our needs here in the Appalachia area.

Yes. Thank you.

We are awaiting the \$2,500 check from District 5495 so we can distribute the money. We should have it in the next few days.

Thanks for your help.

Dear Sir or Madam,

The Phoenix 100 Rotary Club and Rotary District 5495 would like to donate funds to your clubs that will be used to support your flood relief programs.

We have a total of \$3,750 between our Club and Rotary District 5495. Right now we plan to distribute half the funds to each of your clubs.

We would like to request that each club send us:

1. Detailed information on the name of the entity that will receive the funds (for the check) which could be your official rotary club name or the name of your foundation (preferred) and the detailed addresses we should use to send the checks.

2. A general description of how the funds will be used to provide relief to flood victims.

We ask that you send us notification of receipt of the funds after you receive them, and a detailed report on how the funds were used in the community after the funds are disbursed.

Thank you very much,

Fred Goldman
