1. Please provide a brief description of the project, and indicate the project beneficiaries (who is being served?):

The Waymakers Children's Crisis Residential Program Youth Shelters provide over 400 Orange County children ages 11-17 with emergency shelter and immediate assistance each year. Services are available 24/7 every day of the year and include individual, group and family counseling, supervision, meals, tutoring, recreation, prevention education and life skills development activities.

Due the rising cost of groceries and fresh produce, the Tustin Youth Shelter will be converting the garden areas and flower beds to growing fruits, vegetables and herbs to help with the high expense of feeding.

The RCVP will design and build raised garden beds for use by the Youth Shelter staff and residents.

2. Indicate the project start and end dates: *(The project may not begin prior to the district receiving approval from TRF. Reimbursements for earlier expenses are not eligible. Projects must have an end date no later than the end of the Rotary year.)*

We estimate 10-20 members of the Rotary Club of Villa Park will participate in developing and building the garden beds.
