Dear Esther,

May this find you in excellent health and spirit.

As you may be aware, I founded I Am My Brother's Keeper CDC over twenty years ago. Our purpose has always been to engage in programs and initiatives that are designed to improve the quality of life for the members of the community that we are honored to serve. We have always focused on impediments to wellness, be they mental, physical, environmental, spiritual, or societal. We have been blessed to collaborate with like-minded community partners that are also committed to uplifting our neighborhoods via our combined energy, spirit, and coordinated action.

Over six years ago during the Covid-19 shutdowns, we became actively involved in operating a weekly food distribution to address the public health crisis of hunger and food/nutrition insecurity. On behalf of the I Am My Brother's Keeper CDC Board of Directors, leadership team, and our committed staff and volunteers, many thanks to the Rotary Club of El Cajon Sunset and your associates. Your organization recognized the needs we are striving hard to fulfill as we serve the more than 500 households that are the grateful recipients of the dry goods, dairy products, breads, meats, and produce that we are blessed to distribute on a weekly basis.

You and other members of the Rotary Club of El Cajon Sunset have been willing to actually attend our distributions as volunteers. You graciously and energetically assist us, shoulder to shoulder, in the physically demanding tasks necessary to organize, pack, and disseminate many, many hundreds of pounds of food items in a few short hours. In addition, you have provided a \$600 grant to I Am My Brother's Keeper CDC, for which we are extremely grateful. Transportation (truck rental), the purchase of supplies and equipment, storage expenses associated with the maintenance of refrigerated and non-refrigerated units and freezers, and the price of food items are just some of the costs that we have to consider on a continuous basis. Your grant has assisted us in offsetting some of these many expenses that are inherent with operating a program such as ours and on such a large scale.

We gratefully acknowledge the support of the Rotary Club of El Cajon Sunset, and value your partnership in our mission to make our community a safer and more decent place to live.

Best Wishes For Our Success,

Abdul Waliullah Muhammad
