Dear Arnabda,

Thanks for publishing the project. I will talk to Bina Apa and work on entering 13 goals. Today, little while ago I came back home. Otherwise, I would call Bina Apa and take her help to enter the goals. Tomorrow morning I have back to back classes. But I will call Bina Apa to enter the goals. Thanks for your guidance. I always appreciate guidance and support otherwise, we cannot proceed to do whatever I want to accomplish. Talk to you soon. Once again thanks for publishing the post.

With warm regards,

Shahnewaz
